

## **Have you signed up for NextMD?**

If you would like to communicate with your doctor's office via secure e-mail, please let us know, so we can sign you up for NextMD. There is no fee for this service.

With NextMD, you can access a wealth of general health information online, view new messages from our office, and take advantage of the benefits:

\*Request a non-urgent appointment or confirm an appointment. For all urgent issues, we ask that you call our office, as these messages are only checked once every 24 hours.

\*Request medication refill.

\*Ask a quick, non-urgent question you may have.

\*Have forms, from our office such as lab slips and radiology orders, e-mailed to you.

\*No critical health information is sent via e-mail. When a message is sent from the doctor's office, you receive an e-mail stating you have a new message from your doctor's office, and are directed to log in to NextMD to review.
